Arkansas River Basin Water Forum

College *Scholarships*

The Arkansas River Basin Water Forum will be awarding college scholarships for the 2018/19 school year.

The Arkansas River Basin Water Forum offers scholarships each year to students and working professionals in support of their education and research in water resources, watershed studies, hydrology, natural resources management, and others! We offer scholarships in the amount of \$2,000 and \$1,000, plus free admission to the 2019 Arkansas River Basin Water Forum. A terrific networking opportunity!!! Scholarships will be awarded in November, 2018.
